Not only is @onix_xd2795 telling children to k*ll themselves, doing terroristic activities, but Onix has also recorded himself abusing his dog.

@onix_xd2795 LOLLL YOU JUST EXPOSED YOURSELF DOING S*ICIDE ENCOURAGEMENT?

LOLLLLLLLLL!!!

FYI: You'll just switch over to your alt and fake cry to the comment. So what's worse, little bro? You having a fake alt account, or you harassing a random furry with s*icide encouragement?

Proof of the wolf guy being his alt account:
http://youtube.com/post/UgkxsbCT6TF7J...

And at the end of the day, if somehow they are just living in the same country with the same device and speak the same way, Onix just told a child to... ykk... that's even worse than alts.

If it was a alt account, then this shouldn't have a effect yes?

You pinged the wrong account. Look, broski, you got exposed. Same accounts having the same language, same device, same screenshots... same timezone..... same speech patterns..... and you deleted ur last post.... @onix_xd2795
I am NOT spreading lies. You're the one making fun of disabled furries with your previous videos. https://youtu.be/56s_vcdaF9I?si=oY8yw...
I could not care anyless for your simple threats. Onix being on a furry account exposed: http://youtube.com/post/UgkxsbCT6TF7J...
wait hooooold on, you think the werewolf dude is a alt account. And you say this because we "act the same way". Dude I understand why you believe this but that's not my alt account, I don't even have one. And I'm not in the mood to get pissed today, so you stop spreading FUCKING LIES about me and Ill leave u alone.

So... A lot of 💩 happened today. I was playing with my little brother while the cat suddenly bit him. I held the cat down and my brother ran. I got pissed off at the cat and hit it with a pillow and threw it into the room, (mind you it's leg is broken). Then I found out the cat bit him cause my brothe...

@onix_xd2795 Yeah this is the final straw. Fuck you. What happens next could've been avoided so don't go crying for mercy.
I know you're slow and were caught sending cheese pizza to children because you're UTTP and you grabbed your cat and broke its leg slowly and painfully and laughed while doing it, I'm not going to let some nazi racist dip-shit make fun of a veteran. This is where you cease to exist...

Video files where we can see Onix-xd doing things IN REAL LIFE:

- Recording others on school grounds. (Against school policies)
- Stealing on camera, which is a misdemeanor.
- Harassment and Bullying, which is disturbing.

Onix-xd has done some things online as well:

- Animal abuse. (Broke his cats leg and recorded a video of himself beating on his dog)
- Distribution of gore made of animals.
- Owning gore made of animals.
- Harassment and bullying.
- Suicidal encouragement.
- Making fun of veterans.
- Constantly using slurs.
- Being an antifurry.
- Etc…

He's constantly harassing small youtubers and loves to send furries animal gore on discord… Due to the fact he's been making countless posts harassing people, it's disgusting how he hasn't been arrested yet. I want everyone to geolocate his area from the four media files and report everything he's done to the police. Especially stealing peoples belongings, that's most definitely illegal but I don't believe police would actually arrest him due to him being around 15-16 years old. He will most definitely be investigated if we do report him enough.

He's broken multiple of youtubes terms of service and deserves to be terminated, especially for the suicide encouragement. If a furry were to kill themselves because of Onix-xd telling them to do so, it could end up getting Onix-xd charged with a felony. Felonies are permanent on records and are always at least equal to or greater than 1 year in Juvenile or prison. If his parents found out what their son was doing, they would definitely delete Onix-xd's accounts.

This is just a summary of everything. Onix-xd has done far worse things that aren't written here. This is what Onix-xd has done in just one month. He's been doing this type of thing for years.
